Uniform

Kepnock State High School 2024

The Kepnock SHS school uniform has been ratified by the P&C for implementation in 2024. Please note the addition of the formal short for girls as an alternative to wearing the formal skirt. All students will be required to wear a Sun Safe hat at school this year or a cap when playing sport. The pricing is a guide only and will change to reflect increased process from our suppliers. However, as the school is the sole supplier of uniform it is our priority to keep prices to a minimum.

All uniforms will be available from the Uniform Shop in the school canteen.

Purchasing from our school canteen supports the fund-raising efforts of our P&C and ensures your money stays in the school to be used to enhance facilities and resources for students.

We strongly encourage parents to support our school P&C by purchasing uniforms through our school.

Sports shorts and polos may be worn for practical and sports classes. Students are expected to wear the more tailored uniform on all other days, on assemblies, at special events and when representing the school.
