Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

_____(Student's signature) _____(Date)

Parent or guardian:

I understand that the school provides my child with access to the school's information and communication technology (ICT) facilities and devices (including the internet) for valuable learning experiences. In regards to internet access, I understand that this will give my child access to information on computers from around the world; that the school cannot control what is on those computers; and that a small part of that information can be illegal, dangerous or offensive. I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend upon responsible use by students/my child. Additionally, I will ensure that my child understands and adheres to the school's appropriate behaviour requirements and will not engage in inappropriate use of the school's ICT facilities and devices. Furthermore, I will advise the school if any inappropriate material is received by my student/child that may have come from the school or from other students.

I understand that the school is not responsible for safeguarding information stored by my child on a departmentally-owned student computer or mobile device.

I understand that the school may remotely access the departmentally-owned student computer or mobile device for management purposes.

I understand that the school does not accept liability for any loss or damage suffered to personal mobile devices as a result of using the department's facilities and devices. Further, no liability will be accepted by the school in the event of loss, theft or damage to any device unless it can be established that the loss, theft or damage resulted from the school's/departments' negligence.

I believe _____ (name of student) understands this responsibility, and I hereby give my permission for him/her to access and use the school's ICT facilities and devices (including the internet) under the school rules. I understand where inappropriate online behaviours negatively affect the good order and management of the school, the school may commence disciplinary actions in line with this user agreement or the *Behaviour Management Policy*. This may include loss of access and usage of the school's ICT facilities and devices for some time.

I have read and understood this procedure/policy/statement/guideline and the [Code of School Behaviour](#).

I agree to abide by the above rules guidelines.

Introduction to the State School Consent Form (attached) for Kepnock State High School

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge or culture.

Purpose of the consent

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

Voluntary

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

Consent may be limited or withdrawn

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/ third parties.

HPE & Sport

Dear Parent/Carer,

Welcome to Kepnock State High School and the Health and Physical Education (HPE) faculty. In Junior Secondary, HPE is a compulsory subject where students will participate in 2 or 3 lessons per week. HPE has practical and theoretical components that contribute to a student's academic results. The theoretical component covers personal development and health topics.

Each year students need to complete the attached Medical and Consent form. In Years 7, 8, 9 and 10, your child is involved in the key learning area of Health & Physical Education. Some students are involved in the Sports Development Program (SDP) for their HPE lessons.

In Years 11 and 12, physical education goes by one of three subject titles – Sport and Recreation, Certificate III in Fitness or Physical Education. Students choose to study these subjects only through personal choice. This implies they are going to participate fully in every activity.

Involvement in any physical activity comes with risk. Relative risk levels are listed below for activities conducted at Kepnock SHS.

Activities include:

Medium risk: Softball, cricket, netball, soccer, basketball, touch/Oztag, volleyball, tennis, minor games, hockey, athletics, futsal, Ultimate Frisbee, athletic running events (sprints and middle distance) and long jump.

High risk: Swimming (stroke correction and water safety), High jump, javelin, discus

Extreme: *Surfing, Archery, rugby league - special parent letter will be sent home if student is involved.*

The HPE teachers at Kepnock promote good health, participation in physical activity and safe behaviours. Due to our health and safety expectations, it is important you complete a consent and permission form for your child to participate in the curriculum activities planned for your student's respective year level.

Our expectations of your student are – respect for all and participate in everything.

- **Ensure your student wears a hat.** Caps are not ideal, but acceptable. Full brim is best. We provide sunscreen for outdoor lessons.
- **Footwear must be lace up and safe for running.** Slip on shoes are NOT suitable. Nor are socks alone. Students can bring runners in their bags that can be put on for HPE. In most cases, the uniform shoes are suitable.
- **Swimwear is appropriate.** Swimwear should be sun safe and respectable. Students will not swim in their uniform shorts, nor their underwear. They will also have their own towel.
- **Participation.** Students are expected to participate to the best of their ability at ALL times. They are also expected to participate respectfully, both to other students and their teachers. Having a 'go' at everything is very much encouraged and supported. Non-participation must be explained by parent note.

If you have any queries about our HPE programs, or their content, please contact Kara Hayden-Brooks (Head of Department -HPE & Sport) on 4131 1886.

Dear Parent/ Guardian

Sexuality and Relationship Education – Year 10

In Year 10, HPE classes will be involved in HRE (Human Relationships Education) or sexuality and relationships education classes. HRE has been taught at Kepnock SHS through HPE for a number of years based on the Education Queensland policy of harm minimisation. Relationship education is a mandatory element of the Australian Curriculum and Kepnock's program aligns with these education outcomes. Through this program, students will be engaged in learning experiences that develop strategies for keeping themselves and others healthy and safe within the following topics:

- Bodies and how they work – menstruation and sperm production
- Pregnancy, childbirth and parenting
- Safe sex and respectful relationships and consent
- Contraception information and demonstrations – provided by school nurse

HRE can be a sensitive topic and it is for this reason we allow families to decide if they wish to allow their child to engage in these lessons. If you would prefer your child does not participate in this program, please provide your student with a note so they can approach their teacher discreetly and alternative arrangements can be organised.

If you have any queries at all, please contact me on 41311 1886.

Regards

Kara Hayden-Brooks
