

Investing for Success

Under this agreement for 2021 Kepnock State High School will receive

\$821,439*

This funding will be used to

- Support student learning and access to the curriculum for students at all levels.
- Provide additional key staff to enhance the learning of students.
- Aim for 85% A-C academic attainment in reporting across all subjects in all year levels by end of 2021.
- Aim for 100% Queensland Certificate of Education (QCE) / Queensland Certificate of Individual Achievement (QCIA) outcomes.
- Enhance student engagement.

Our initiatives include

- Fund additional teacher aides who support the learning of identified students in both the Junior and Senior schools.
- Provide additional teaching staff to support welfare programs and Guidance support.
- Support teacher release time for moderation meetings (Before the unit, during the unit and for cross-checking of results) across the curriculum and for all year levels.
- Fund transport for students attending curriculum events outside of the Bundaberg region.
- Funding the Success Coach initiative for students Year 7-9.
- Funding enrolment of students targeted for intensive education programs.
- Funding the implementation of the school's iPad program ensuring an equitable access for all students to a technology solution.

Our school will improve student outcomes by
